

# LOOKING AHEAD

The ability to adapt for what the future holds sets you up for success.

# Reasoning Behind Poster

One of the attributes of a level 5 leader in the eyes of Jim Collins was that they were able to look ahead to the future of the company. While they were still concerned with what was happening at the moment there was the understanding that planning for what was ahead was even more important. They have to make the tough decisions with the understanding that it would make their business grow.
